

Joining Research Skills Seminars via Videoconference

The PMH Research Skills Seminar Series is available via videoconference through the State-wide Telehealth Service (STS). This means you can watch and listen to any of the seminars from:

a) a hosted designated venue

b) online via either:

1. a PC with the SCOPIA application installed
2. dialling from a videoconference system within the WA Health network
3. dialling from outside of the WA Health network

Hosted Designated Venues

There are designated venues hosted by site coordinators where you are welcome to watch the seminar with your colleagues.
