

Joining Research Skills Seminars via Videoconference

The PCH Research Skills Seminar Series is available via videoconference through the State-wide Telehealth Service (STS). This means you can watch and listen to any of the seminars from:

1. a PC with the SCOPIA application installed
2. dialling from a videoconference system within the WA Health network
3. dialling from outside of the WA Health network

Online via PC or Videoconference System

1. SCOPIA Desktop Clients

If you are part of the WA Health Network and have a PC, you can download and install the SCOPIA application (Desktop Client):

To install the SCOPIA Desktop Client (find download link at bottom of page):
